

## What is my program or category?

### ANSWER:

#### 1) En français à Québec program (French immersion)

- **International and independent Canadian student:** you should choose this category if:
  - ✓ You are a Canadian resident or citizen and you didn't apply for any kind of bursary
  - ✓ You are a Canadian resident or citizen and you applied for a bursary from the Explore program or the Newfoundland and Labrador government BUT you have already received the **confirmation that the bursary was not granted to you.**
  - ✓ You are not Canadian or your main residence is not in Canada
  - ✓ You are an international student applying independently or through an international agency
  - ✓ You are an agent creating the profile of your student
- **Confirmed Explore bursary Student:** you should choose this category **ONLY** if you have received the confirmation of the granted bursary from the Explore program and our school. You will know you are in this category because you have already sent us a written confirmation to accept the bursary by email and you received the instructions to register. You cannot register in this category if you are still on the waiting list.
- **Level 1 bursary Newfoundland:** you should choose this category if you applied for a 4-week bursary from the Newfoundland and Labrador's government and you have already received their confirmation. You cannot register in this category if you are still on the waiting list and you desire to participate to our program.

- #### 2) Destination Québec – 4 semanas (French and English private program):
- this option is only available for students registering through the *Tecnológico de Monterrey* (TEC) school in a closed immersion program. Your registration will not be confirmed if it was not made in the first place through the *Tecnológico de Monterrey* School. **Please note that this program is not open to the public.**
