

EXCURSIONS OUTINGS

2026

- Excursions and outings are optional.
- A complete document including the price and a whole description of the excursions and outings will be available in 2026. Dates indicated in this document might change.
- Prices of the excursions and outings start at CA\$ 35.
- Excursions and outings take place during free time. Monitors will accompany the students.
- The spots are limited. We work on a first come, first served basis.
- Registration and payments are made online only and required to save a spot.
- Only certain meals will be included. Transportation for the excursions is organized by the school but some of the Québec City outings require that students purchase a public transit pass/ticket.
- Free optional activities will be offered on campus to the students that do not participate in the excursions or outings.
